## INTRODUCTION

### **Scope:**

This annual hunting and fishing permit distribution and sales summary includes sales data for those permits commonly known as hunting, fishing, and trapping permits. These permits are available statewide for general sports and recreational hunting and fishing activities.

Effective with Permit Year 2006, the Department's total revenues, received on behalf of the Department, is disclosed within the realm of this report, which begins on page 72. Permit types such as: commercial permits and special use permits, shooting range permits, boat rental permits, and daily trout tags, are also included in this sales report.

### **Perspective:**

Hunting and fishing permits account for approximately 17.94% of the Department of Conservation's annual revenue. Major revenue categories for Fiscal Year 2009 are as follows:

One/Eighth % Sales Tax	\$96,571,218.06	57.16%
<b>HUNTING AND FISHING PERMITS</b>	<b>\$ 30,318,651.23</b>	<b>17.94%</b>
Commercial and Miscellaneous Permits	\$ 1,737,963.17	1.03%
Sales and Rentals	\$ 8,601,439.32	5.09%
Interest	\$ 1,049,928.05	0.62%
Miscellaneous Receipts	\$ 6,530,586.42	3.87%
Federal Reimbursements	<u>\$ 24,165,282.58</u>	<u>14.30%</u>
<b>TOTAL</b>	<u><b>\$168,975,068.83</b></u>	<u><b>100.00%</b></u>

### **Permit Year Defined:**

Within this sales summary, the sales data reported for the hunting and fishing permits is an accumulation based upon a "Permit Year." Before 1996, the permit year corresponded with the calendar year of January 1 through December 31. The Commission, effective with the selling of the 1996 permits, changed the "permit year" to begin every March 1 and runs through the end of the following February. The Commission changed the "permit year" to correspond with the waterfowl season, which runs until mid-January.

At the beginning of the 1996 "permit year," the Department of Conservation implemented the Point-of-Sale method for selling permits. This new method of selling permits allows the Department to capture sales electronically, at the point where the vendor transacts a permit sale. In addition, with the Point-of-Sale method, generated revenues are drawn electronically from each vendor's designated bank account at a predetermined time.

### **Permit Distribution Methods:**

Before 1996, the Department of Conservation distributed all hunting, fishing, and trapping permits; trout and waterfowl stamps to vendors statewide either on a Commission Direct basis or through a County Distributing Agent. At the end of the 1990 permit year, the Commission eliminated County Distributing Agents for distributing permits. Effective with the issuance of 1991 permits, the Department of Conservation consigned permits directly to duly, appointed permit issuing agents. During this time, the Department distributed the hunting and fishing permits to the permit-issuing agents in three separate mailings throughout the year. However, beginning in 1996, the Missouri Department of Conservation began using the Point-of-Sale permit distribution alleviating the need for paper permits and report forms.

The Department of Conservation issued Temporary Permit Books to appointed permit issuing agents, in the event the Point-of-Sale system became dysfunctional. In July 1998, the Department had a Store and Forward Program installed within the Point-of-Sale equipment in hopes to reduce the need for the Temporary Permit Book within the 1999 permit year. This program has proven to be a huge success and diminished the need for Temporary Permit Books. As customary, only the Trout Park Concessionaires, due to their sales volume and isolated locations, were issued Temporary Permit Books for the 2008 permit year. The Store and Forward Program allows the issuing agents the ability to store the last permit transaction until the system becomes functional again.

In keeping with tradition, the avid hunter and angler is able to purchase their upcoming Annual Hunting and Fishing permits as early as December 1st of the existing permit year, via the Point-of-Sale terminal. This effort allows purchasers the advantage of securing permits for Christmas gift giving, as well as for their personal recreational use. The annual permits are valid from the date of purchase and remain available throughout the permit year. This effort was re-established December 1, 1998, to enhance the Department's permit revenue, by recapturing the lost revenue on Christmas permit sales when the Point-of-Sale System was first implemented and early permit purchases were eliminated.

All remaining hunting and fishing permit types became available for sale on February 1, 2008, one month prior to the beginning of the 2008 permit year, via the Point-of-Sale terminals. The only permits not available at that time were the Fall Deer and Turkey hunting permits. Resident and nonresident fall deer and turkey hunting permits were not made available until July 1, 2008.

As of permit year 2004, landowners (resident and nonresidents) were able to obtain their permit and transportation tags from a permit issuing agent, alleviating the paperwork formerly associated with these permit types.

Beginning with permit year 2000, permits were available for purchase via phone and internet sales handled by ALS (Automated Licensing System). ALS is responsible for providing help desk services for the hunting and fishing vendors, shipping supplies, and equipment; and diagnostic assistance with the Point-of-Sale terminals that the hunting and fishing vendors use throughout the State of Missouri.

The Permit Glossary beginning on page 59, lists the majority of permit types available, but is not an all-inclusive listing. Please refer to the *Wildlife Code of Missouri* for a complete listing of all permits and prices.

**Dollar Value of Sales Defined:**

All sale figures presented in this sales summary were accumulated using the stated value of reported sales. The stated value of a permit is the price which the Department assigned for that particular permit privilege. Conservation's permit sales revenue is reduced by service fees, which permit issuing agents, retain and by any uncollectible account that develops during the permit year.

**Service Fee Structure:**

During the 2008 permit year, permit-issuing agents sold all hunting and fishing permits except those permits sold at Department areas. Department areas retained no fees where Department personnel sold permits. Department areas remitted, the entire stated value of the permit, directly into the Department's depository accounts electronically through the Point-of-Sale (POS) terminal. The permit issuing agents, for their services performed in selling permits, retain 5% commission of all permits sold at their location.

With the landowner permits being available through the POS terminal effective with permit year 2005, the Department realized the expense, time, and effort placed on the issuing agent. Therefore, the agents are awarded an additional \$0.50 per landowner permit transaction processed through their individual POS terminals.

**Point-of-Sale Distribution System:**

Since its inception in 1996, when the paper intensive permit distribution system was replaced with a computerized Point-of-Sale automated license system, the Department continues to utilize this system as a means to streamline the issuance of permits.

The Point-of-Sale Distribution System has and is serving as a viable tool for capturing special data from anglers; serves as an effective method for tracking number of landowners hunting in Missouri; allows the Department to have a complete database of all permit purchasers, which greatly enhances resource management. The Point-of-Sale system eliminates issuing agents from completing sales reports and eliminates bond requirements for issuing agents.

The Point-of-Sale system continues to allow:

- ▶ Permit sales to be reported electronically by telecommunications via the Point-of-Sale terminal.
- ▶ Payments, for permits sold, to be withdrawn electronically from the issuing agent's bank account according to a predetermined weekly or monthly schedule.
- ▶ Revenues, obtained from permit sales, to be transferred electronically to the State Treasury depository account.
- ▶ Vendors the ability to process a sales transaction, even during downtime, with the new Store and Forward feature, until the system is again functional, alleviating the need for Temporary Permit Books.

### **Highlighted Change to 2008 Permits**

- Introduced the Apprentice Hunting Authorization, in hopes to reverse the trend away from hunting and foster a new interest in Missouri's past-time sport of hunting. Nationwide participation in hunting has taken a downward trend over the past 20 years. One of the reasons for the decline is due to barriers to entry-level hunters.

The Department is committed to making responsible accommodations to keep hunting within the grasp of young Missourians. Thus, this authorization gives potential hunters a reasonable opportunity to try hunting before they are asked to commit time to hunter education. This is not a hunting permit, but it is a permit that allows the apprentice to buy any firearms hunting permit for two (2) consecutive years.

This Apprentice Hunting Authorization allows a skilled teacher or mentor to help the purchaser, who is at least 16 years old, to build skills and confidence necessary to master the challenges of hunting. It is restricted to hunting only when accompanied by a Hunter Education-certified mentor who is at least 21 years old and is available to nonresidents as well as residents. Cost for this service is \$10.00 and is valid for a period of two "permit years."

- Continued offering the Resident National Guard and Reserve Small Game Hunting and Fishing permit, to recognize Missouri service personnel. The permittee must be, or have been, in the previous twelve months, mobilized and serving in full-time active military duty in the National Guard or Reserve. Cost for this permit is \$5.00.

### **Future of POS**

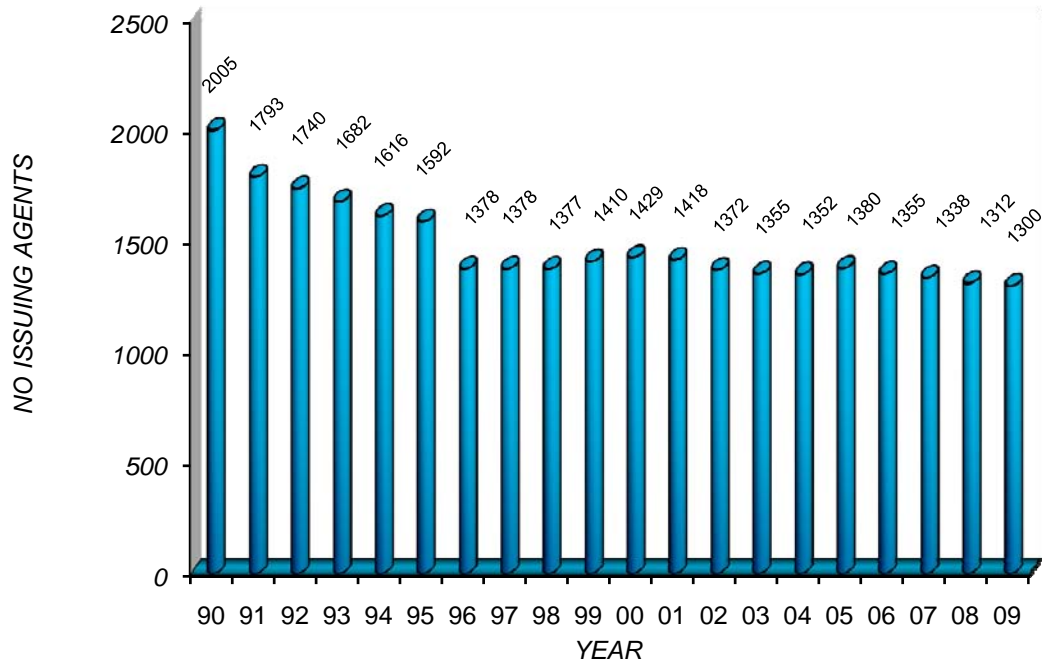

Permit Year 2006 marked the 10th anniversary year for the Missouri Department of Conservation's Point-of-Sale system. In those 10 years, MDC has modernized the licensing business in Missouri, while at the same time providing a successful model that several other states have since followed. As we anticipate the next phase of this automated system, the Department will continue to serve Missouri hunters and anglers efficiently by providing the best electronic method for issuing permits.

A new contract has recently been awarded, again to Central Bank of Jefferson City, for the next phase of this automated system. All equipment at retail permit vendors has been replaced and the overall system has been updated and streamlined. These refinements were implemented during the summer of 2008, and this new contract is renewable for up to 8 complete years of operation.

The Point-of-Sale system was implemented at the beginning of the 1996 permit year and has evolved steadily since then. This change brought Missouri to a position of leadership in technology among other state agencies across the country. We are determined that the integrity and service provided by the Point-of-Sale system will continue to be effective as it develops through the coming years.

## HUNTING & FISHING PERMIT ISSUING AGENTS

*Number of Issuing Agents/Year*

### Current Distribution Profile:

As of May 26, 2009 there were 1,300 permit issuing agents in the state.

#### Permit Issuing Agent Applications for Calendar Year 2008:

Application mailed and no response	80
Application rejected	16
Application pending (decision not made as of June 30, 2009)	22
Application accepted and no response	18
Application accepted and started selling in Calendar Year 2008	86
Application accepted, started selling and quit in Calendar Year 2008	0
Total Applications Processed	<u>222</u>

#### NOTE:

Beginning with the 1996 permit year, the Department began the Point of Sale Method of selling permits. Out of the existing 1,378 permit issuing agents, approximately 86% continued to provide hunting and fishing permits. As the remaining 14% closed, new issuing agents were accepted.

In reviewing the number of existing permit issuing agents, there has been a decrease by 5.7%, leaving 1,300 vendors who are still providing permits to hunters and anglers in the State of Missouri.

## **TEMPORARY PERMITS**

The Store and Forward Program, within the Point-of-Sale terminal, was initiated in Permit Year 1999, by the Department. This program allows the issuing agents the ability to store the last permit transaction, on the terminal, until the system is functional again. Basically with the implementation of this program the need for Temporary Permit Books has been alleviated.

This program has proven to be a viable tool for handling down time with the Point-of-Sale System. This represents the fourth consecutive permit year, since Store and Forward's inception, that the program has successfully retained permittee's sales information until the Point-of-Sale System was functional again. Thereby, relieving permit vendor's the necessity of issuing temporary permits.

Due to their remote locations, the Trout Park Concessionaires are the only hunting and fishing vendors currently issued Temporary Permit Books.

NOTE: Effective with the 1996 permit year, anglers and hunters were provided the opportunity to buy: (1) lifetime hunting; (2) lifetime fishing or (3) lifetime conservation partner permits. As of 2002, fees for these permits were revised to provide a variable scale based upon the customer's age. Lifetime permits provide a way for avid hunters and anglers to demonstrate support for MDC's mission, and for most, provide long-term savings and protection from future fee increases.

The Hand Fishing permit was cancelled by the Department of Conservation, after a successful two-year study of Missouri's streams, to ensure the sound management of Missouri's catfish populations.

**NOTE:**

Beginning with the 2001 permit year, in an attempt to streamline the issuance of Resident Landowner Deer Permits, the Department decided to utilize the Point-of-Sale system to issue and account for these permits. This step allowed MDC to record all hunting permits comprehensively in a single data base. Landowner permit records had previously been maintained in a separate data base, which made reporting and comparisons difficult.

Please note there is no cost associated with these permits, therefore the above permits are not included in the total permit sales reflected throughout the report. This was done in order to provide a more concise and accurate reflection of permits assigned a stated fee amount to conserve the comparison capability of prior year sales vs the current year sales, without overstating the sales by showing these permits that do not have a fee associated or attached to the permit. However, the issuance of these permits will be reported as shown above, to retain the integrity of this report and for historical purpose.

Continuing its efforts to streamline and minimize efforts of issuing Landowner permits, the 2004 Deer Season saw the Point-of-Sale System take another leap by issuing all of the landowner permits through the automated system. As an incentive for the permit vendors, the Department established a set commission fee of fifty cents (\$0.50) per landowner transaction that was awarded to the vendor for their assistance in providing this service to landowners wanting to hunt deer in Missouri.

**NOTES:** 1987 marked the beginning of the Department issuing bonus antlerless-only firearm deer permits in unit's quota that had permits remaining after the initial any-deer drawing. Hunters are required to purchase an additional deer hunting permit prior to the deer season if they are chosen for a bonus antlerless-only deer permit. This was increased to a possible two bonus antlerless-only permits in 1994.

Beginning in 1988, archery hunters were allowed to take one deer and one turkey before firearm deer season and one deer and one turkey after the firearm season.

In 1994, the Department began including a check box on the nonresident firearm deer tag, allowing them to hunt in either the regular or muzzleloading firearm season. A separate nonresident muzzleloading firearm deer permit was made available with the 1996 Permit Year.

- (1) - From 1997 to 2000 this permit was known as the Urban Archery Permit and sold for \$5, which are shown above. In Permit Year 2001 the name was changed to Antlerless Only Archery and available in additional counties in Missouri. Effective with Permit Year 2004 the permit is retitled Resident Archery Antlerless Deer Permits and sells in unlimited quantities at \$7 each.
- (2) - Permit Year 2002 began a new pricing method for these permit types based upon age. See page 29 for pricing and sales breakdown of the various permits available. Sales reflected encompass all sales for the lifetime permit shown.
- (3) - Residents of IA, IL, KS & OK had an additional \$25 surcharge for this permit type. As of 2007 this surcharge was eliminated.

(1) - From 1997 to 2000 the Urban Archery Permit sold for \$5 to residents. In Permit Year 2001 the name was changed to Antlerless Only Archery and was made available in additional counties. Effective with permit year 2004, nonresidents were given the opportunity to purchase unlimited Nonresident Antlerless Archery Permits for \$7.00 each.

(2) Includes Nonresident Landowner Firearm Deer, First and Second Bonus (price is \$7 for these permits) Firearm Deer Permit Sales. There were 12 of the First Bonus and 3 of the Second Bonus for 2003. Effective with Permit Year 2004 the Bonus permits were all included as Nonresident Firearm Antlerless Deer Permits. The 15 sold in 2003 have been included with Nonresident Firearm Deer, which includes all bonus permits.

Beginning with the 1999 permit year, youth under the age of 12 are allowed to hunt with a firearm by purchasing a Youth Deer & Turkey Hunting Permit (YDTH-sales on previous page). The youth has to be in the immediate presence of a properly licensed adult, who regardless of age, must be hunter certified.

**HUNTING AND FISHING PERMITS  
CHARGE OFFS AND BOND CLAIMS  
1976 THROUGH 2008 PERMIT YEARS**

Prior to May 1981, all permit vendors and distributing agents were included under a blanket bond which paid all losses. In May 1984, all blanket bond coverage was discontinued. All vendors after that date were required to furnish surety bonds in an amount sufficient to cover potential losses. In November 1989, the Department began to waive bonds for issuing agents with at least 30 months of satisfactory experience and a sales volume of less than \$10,000 annually. The average bonded permit issuing agent was required to have \$3,000 coverage at a cost to the issuing agent of approximately \$100 a year.

Beginning with the 1996 permit year and the implementation of the electronic POS method of selling permits, 99.6% of the permit issuing agents were no longer required to furnish a surety bond. The Department's share of the permit sales are now collected electronically from the issuing agents specified bank account. However, each existing permit issuing agent is required to furnish a refundable security deposit for a POS terminal. Existing vendors in 1995, with accounts in good standing, were required to furnish a \$250.00 deposit. Those appointed after 1995 were required to pay a \$550.00 deposit. Vendors requesting additional terminals must furnish \$550.00 per terminal, which is also refundable.

Since the inception of POS, new vendors with poor credit ratings were asked to furnish a Surety Bond or Letter of Credit. In Permit Year 2003, there remained ten (10) vendors who were required to furnish bonds to the Department. However, with the exceptional service POS provides, these remaining vendors were informed, during Permit Year 2004, to cancel their bonds at the time of its renewal date, because the previous bond requirement has been eliminated by the Department.

The following lists the write-offs for the past five years:

Permit year 2004	\$ 0.00
Permit Year 2005	\$1,607.88
Permit Year 2006	\$1,192.22
Permit Year 2007	\$ 0.00
Permit Year 2008	\$ 0.00

## **PERMIT GLOSSARY**

Hunting, fishing and trapping permit requirements are subject to the exception noted in **Section 3CSR10-5.205 of the Wildlife Code of Missouri**. This is a listing of the majority of the permits available to permittees, and does not include all permits. For additional information and a complete listing of all permits available, please refer to Wildlife Code book sections noted.

### **PERMIT PRIVILEGES:**

**01      CONSERVATION HERITAGE CARD - \$2.00**

Available for residents and nonresidents who participate in both hunting and/or fishing activities. Also, this card serves as record of Hunter Education Certification. It is valid for five years.

**05      RESIDENT SMALL GAME HUNTING AND FISHING PERMIT - \$19.00**

Available to residents whose hunting and fishing activity require both a resident fishing permit and a resident hunting permit. It does not include deer or turkey. (Section 3CSR10-5.330)

**10      RESIDENT FISHING PERMIT - \$12.00**

Required of residents between the ages of 16 and 65 for fishing. Residents 15 years of age and younger or 65 years of age and older are not required to purchase a fishing permit. (Section 3CSR10-5.340)

**12      WHITE RIVER BORDER LAKES PERMIT - \$10.00**

Available to Arkansas and Missouri residents, already licensed or exempted from licensing requirements, to sport fish the other state's portion of the impounded waters of Bull Shoals, Norfolk and Table Rock Lakes, in lieu of purchasing a Nonresident Fishing Permit. Must also have a fishing permit or exemption issued by the state of residence. (Section 3CSR10-5.535)

**18      DAILY FISHING PERMIT - \$7.00/Day**

Available to residents and nonresidents in lieu of purchasing the annual permit. (Section 3CSR10-5.440)

**20      NONRESIDENT FISHING PERMIT - \$40.00**

Required of nonresidents 16 years of age or older for fishing. Nonresidents 15 years of age and under are not required to purchase a fishing permit. (Section 3CSR10-5.540)

**25      TROUT PERMIT - \$7.00**

Required of residents or nonresidents to possess and transport trout outside the four state trout parks. Persons fishing inside state trout parks who purchase a daily trout tag are not required to purchase a trout permit. Trout permits are required for all persons to possess trout outside trout parks regardless of age. A trout permit is required for all persons fishing in Lake Taneycomo upstream of Highway 65, for winter fishing in the trout parks and for fishing in Stone Mill Spring Branch. (Section 3CSR10-5.430)

- 27     APPRENTICE HUNTER AUTHORIZATION - \$10.00**  
Any person born on or after January 1, 1967, is given the authority to purchase firearms hunting permits (except the Youth Deer and Turkey Hunting Permits), without displaying a hunter education certificate card. The authorization gives the purchaser an opportunity to hunt, with a ***properly licensed adult hunter (21 years and older), who has in their possession a valid hunter education certificate card.*** (Section 3CSR10-5.300)
- 30     RESIDENT SMALL GAME HUNTING PERMIT - \$10.00**

**NOTES:**

Beginning in 1991, the Honor System Method was implemented at some of the department areas. Lake Paho, Hunnewell and Little Dixie were first to convert to this method of using the envelopes. In 1992, Blind Pony and Pony Express also converted with James A. Reed Conservation Area converting during the 1997 season.

- (1) - Effective with the 1998 Season, sales are handled through a Concessionaire. Initially MDC retained 30% of the fees collected, up to 2003. A new concessionaire was obtained at the onset of the 2004 Season and the Department retained 35% of the fees collected on Boat Rental Sales. Due to exceptional weather, the concessionaire began selling boat rental in March and sold through the end of November 2004. The 2007 Season reverted to the Department retaining 30% of the Boat Rental fees collected.
- (2) - Last year for selling Boat Rental permits was the 2007 Season.
- (3) - The onset of 2007 season, this area was down to four boats used for the boat rental season. Thus the result was a 28.54% decrease in the boat rental sales, as indicated above.

**NOTES:**

- (4) - Midway through the 2000 Season the agreement with the Town of Newark, (Sever Lake Concessionaire) was terminated. An agreement was made with the new Concessionaire, that allowed the Concessionaire to retain 95% of the revenue received from the boat rental sales. The Honor System was implemented at the onset of the 2002 Boat Rental Season, with the Northeast Regional Office being responsible for the permits.
- (5) - Converted to the honor system, briefly at the onset of the 2003 season, until a concessionaire began. Department personnel responsible for the boat rental and \$5 fee collected and retained by MDC. Beginning with the 2004 Season contract was awarded to a concessionaire, with the Department retaining 5% of revenues obtained from the sales. Onset of 2005 Season management and responsibility of these permits was handled by Department personnel with the \$5 fee retained by MDC, resulting in the revenue increase shown above beginning with the 2005 Season.

The weather for 2007 played a role also in the decrease usage of boat rental. Due to ice storms at the onstart of the year and unseasonable cold weather in the month of April, followed by an unusually hot and humid summer, affected the use of boats at department areas, as can be seen in the sales and revenues shown above.

2008 was reported to be the "wettest year in Missouri history", which contributed to the decline of boat usage at department areas.

**NOTES:**

Prices for Trap Shooting changed to \$3 per round instead of the hourly charge at the Andy Dalton, Busch Area and Jay HENGES areas on January 28, 1995. The Lake City Training Center is still charging the hourly rate of \$2. Skeet Shooting is charged at \$3 per round at Andy Dalton, Jay HENGES, and Busch Areas.

- (1) Due to miscoding of revenues, during the Fiscal Year 2006, a manual adjustment of \$233 deducted from the revenue amount reported through SAM II, to accurately reflect the shooting range revenue received at this shooting range during Fiscal Year 2006.
- (2) Majority of the Group Permits shown as sold, up to FY 2006, were used by law enforcement officers.

## ***FINANCIAL REVIEW***

### **Revenue Processing**

Missouri Department of Conservation's (MDC) Field Offices continued processing revenues, by entering money transmittals directly into SAM II. Remote field offices, continued to complete the electronic money transmittal and submit it via e-mail to the Financial Services' Revenue Unit for processing. Supporting documentation for these transmittals were faxed the same day, which allowed the data to be entered and revenue recognized on SAM II instantaneously, once the transmittal had been accepted and approved. New directives were conveyed to Field Offices, for processing revenues and billing invoices, as set by the State of Missouri's Office of Administration. Assistance to the field offices was provided by Financial Services' Revenue and Payables unit personnel.

This Management Review Section looks at the special permits issued at Department areas and by contracted concessionaires acting on behalf of the Missouri Department of Conservation. As you begin this review, it must be noted that 2008 was reported to be the "wettest year in Missouri history", which also contributed to the decline of boat usage at department areas and participation in the trout season.

### **Commercial Permits**

During Fiscal Year 2008 reconciled Commercial Permit Sales reflected a decrease of approximately eighteen (-18.28%) from the previous fiscal year. Resident Fur Dealer, Wildlife Hobby and Wildlife Breeder permits declined, while the remaining commercial permits saw a slight increase in sales. The various bands sales, i.e. quail, pheasant, locking leg bands and transportation stickers, also experienced a decrease this past fiscal year; as well as the three-day Licensed Shooting Area permits, which declined approximately twelve percent (-11.54%).

Revenues collected for these permits realized a slight increase of approximately two percent (2.30%). It is anticipated that in FY09 there will be an increase in revenues due to Big Game Shooting Area and Falconry permits that were purchased in FY 2006 becoming due for renewal.

Renewal applications for commercial permits continue to be mailed, accepted and processed in the latter part of May, which is prior to the actual start of the new fiscal year. By doing so a timing difference is created for reporting revenue and sales for the current Fiscal Year, because some of the revenues are captured in the preceding fiscal year, and reported at that time. Thus, the amount reflected on page 77 reflects the effective permit year sales, while the amount reflected on page 72 represents the revenue collected for these permits during the timeframe established by SAM II for fiscal year reporting.

### **Boat Rental & Shooting Range Permits**

Boat Rental Permits realized a decrease in sales, for the current reporting Fiscal Year 2008 of approximately nineteen percent (-19.29%) from the previous fiscal year, as shown on page 81, which does not fall within the anticipated range of sales.

The substantial decrease shown for the James A. Reed Area, as indicated on page 81, is representative of the second year of sales being down due to this department area only having four (4) boats available for rental. Thus due to the limited number of boats available, sales at this area were down by approximately twenty-nine percent (-28.54%).

Another contributing factor to the high decrease is another department area, Hunnewell, no longer rent boats as of fiscal year 2008. Their last year for renting boat was in fiscal year 2007.

Shooting Range Permits realized an increase in sales and revenues of approximately seventeen (16.99%) and six percent (6.03%), respectively. The increase was due to August A. Busch Shooting range being reopened after repairs were completed at the range. This range was closed for repairs from April to October 2007.

It should be noted due to the Jay Henges Shooting Range anticipated closing for remodeling sometime in Fiscal Year 2010; we are expecting to see a decrease in range sales for this location during the next reporting timeline.

### **Daily Trout Tags**

Daily Adult Trout realized a slight decrease in sales and revenues collected, for Fiscal Year 2008, of about five percent (-5.39%) from the previous fiscal year. Also the Daily Youth Trout Tags realized a decrease in sales and revenues collected of approximately six percent (-5.62%). Continued efforts are being made to raise public awareness of the opportunity to participate in this fishing activity provided at Missouri's Trout Parks.
